The Seneca Chapter of the F.F.A. had its beginning March 31, 1938, with 21 members and J. R. Wells, instructor.

The letters, F.F.A., stand for Future Farmers of America. Some of the aims of the F.F.A. are to develop competent, aggressive rural and agricultural leadership, to create and nurture a love of country life, to create more interest in the intelligent choice of farming, to encourage members in the development of individual farming programs, and in the participation in worthy undertakings for the improvement of agriculture.

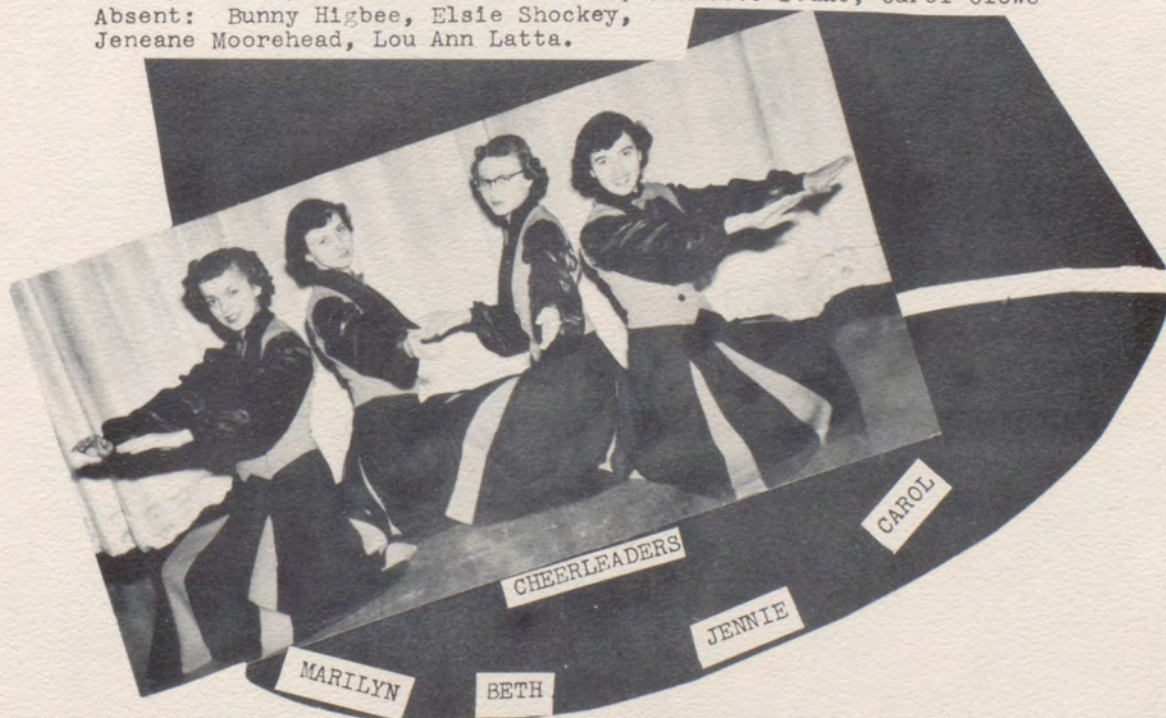

The Seneca Chapter is under the instruction of Forrest Adams.
